BRIDAL EXPERIENCE

2027 SERVICES + INVESTMENT

build your bridal experience

Your wedding morning sets the tone for the entire day. It should feel calm, unhurried, and beautifully supported - NOT rushed, stressful, or over-scheduled.

I take on a limited number of weddings each year and work exclusively with one bride per wedding day. This allows me to be fully present, flexible, and attentive to every detail - from your bridal preview to the final touch-ups before you walk down the aisle.

To make planning simpler and more transparent, services are offered on an itemised basis. This allows you to clearly see the investment for each service and tailor your booking to suit your specific needs, while still receiving the same elevated, professional experience.

Every bride receives my full attention, expert guidance, and a seamless, luxury wedding morning - so you can focus on being present and enjoying the moment, knowing you are completely taken care of.

xoxo Sarah

THE EXTRAS

For the brides who appreciate a breakdown of all costs.

Bride Hair OR Make Up

R 4500

This option is offered selectively and is subject to availability. For brides who opt to only book us for a singular service. The preview is included as well as the respective perks of that booked service.

Second Artist

R 1500

Additional artists are automatically added to bookings with more than 12 services. This ensures your wedding morning runs smoothly, everyone is ready on time, and no one needs to start getting ready at 3am! Their schedules, payment, communication and travel are managed by Glow.

Travel Fee

R 6 per km

Travel is charged at R6 per kilometre, calculated from my studio in Essenwood, Durban to your venue and back. This covers fuel, time on the road, and transport of kit and equipment.

Hair Extension Hire

from R 2200

A curated selection of clip-in hair extensions is available to hire for bridal party members. A 40% refund will be issued once the extensions are returned in good condition within one week after the event. (Brides get free access to these!)

Second Look / Style Change

R 600 per hour

For brides wanting a refreshed look for the reception or extended on-site support. This includes a hairstyle or makeup change, as well as touch-ups as needed. Time is billed hourly, starting one hour before the ceremony until the final look is complete. Ideal for outfit changes or evening celebrations.

Overnight Accommodation

R 2000

For venues located more than 2 hours from Durban, overnight accommodation for the night before the wedding is required for all artists involved.

For venues more than 4 hours away, accommodation for both the night before and the night of the wedding is required.

Accommodation may either be arranged directly by the bride at the venue or booked by Glow and added to the final invoice.

Interprovincial / International Travel

R 3000

This fee applies to bookings requiring interprovincial or international travel where I am away for 2 - 5 days, including travel time.

It covers administration, planning, and exclusivity of services across the requested dates. Flights, car hire, fuel, Ubers, accommodation, etc, is all billed in addition to this base-line fee.

This also reflects the fact that I am unable to take on other bookings during this period.
