2025 PRICING CATALOGUE

HEY BEAUTIFUL

i'm sarah! your bridal bestie, wedding day hype girl and lover of all things glam. i have been in the hair/makeup and wedding industry for over a decade now and every year i fall more in love with my job.

it means so much to me to play a part in someones wedding day and i do not take that privilege lightly. that's why i am constantly working on ways to give my clients the best possible experience and to always be learning!

i specialise in modern, on-trend and natural glam hair and make up so if you want the glam without the cakey-ness then i'm your gal. my aim is always that anyone who sits in my chair would feel beautiful but more than that, they'd have a deep knowing that their beauty ultimately has nothing to do with the way they look.

i am so honoured to be considered a vendor for your special day and hope we get to work together to create something magical.

kind words

"i just wanted to message and say how grateful i am that you could do my hair and makeup for my wedding. i have always struggled with self confidence but i can say with utter confidence now that on my wedding day i felt beautiful for the first time in a long time. i felt so confident and and everyone said i was looking so happy and radiant. a big part of that is because of you! your skills are truly unmatched and i want to thank you so so much for all your hard work on the big day! i know my bridesmaids could not shut up about how gorgeous they all felt after you did their make up."
